American Airlines Center

Since opening in July 2001, the American Airlines Center has set a new standard for sports and entertainment and has become the premier venue in the south. It's grand complex with sweeping vistas and inviting passages comprise five concourses, 142 luxury suites, two 50 person "party" suites, and room for 18,532 hockey fans.

Designed by world-renowned architect David M. Schwarz and Dallas based HKS, Inc., the American Airlines Center is a combination of traditional architecture and high-tech wizardry. Outside, the signature arches are warm and inviting, inside; the retractable seating brings the bowl in closer to the action, allowing fans a more intimate experience and exceptional sight lines.

Through July 2006, its fifth anniversary, American Airlines Center hosted 13 million guests at over 1,000 sporting and entertainment events. Over 50 musical artists have performed including sold out performances from The Rolling Stones, Eagles, U2, Paul McCartney, Cher, Billy Joel, Elton John, Fleetwood Mac, George Strait, Bruce Springsteen and Usher, to name a few. It has also hosted family shows such as The Texas Stampede, Disney on Ice, Stars on Ice, Champions on Ice, Ringling Bros. and Barnum & Bailey, Freestyle Motocross, and The Harlem Globetrotters. World Wrestling Entertainment has become a frequent guest at the Center, producing Monday Night RAW, Smackdown and Saturday Night Main Event televised nationally on NBC. The American Airlines Center has been no stranger to major sporting events. In addition to the Dallas Stars, Dallas Mavericks and Dallas Desperados, The Center has hosted the 2002 & 2006 NCAA First and Second Round Men's Basketball Tournaments, the Phillips 66 2003, 2004, & 2006 Men's Big 12 Basketball Tournaments, the 2003 U.S. Figure Skating Championships and other events such as Boxing and Ultimate Fighting. The Center enjoyed hosting the 2006 NBA Finals and is looking forward to hosting the 2007 NHL All-Star Game.

American Airlines Center was designed to keep hockey ice in perfect condition even when the Texas heat blazes outside. To maintain a constant temperature of 64-68 degrees, the building has a separate chiller system just for the slab, eight miles of one-inch pipe and 320 tons of refrigeration. In addition, a 3,600-ton air-conditioning system and a dehumidification system extract 500 gallons of moisture per

hour during the season. The ice is put into place each September and takes 24 hours to build up to the 1-inch depth the players are accustomed to. The ice stays in the Center until the playoffs are complete and is covered up during the season with a special material called Ice Deck, a fiberglass product that keeps the ice cold and allows the air temperature above to rise without affecting the ice. Recently, the Zamboni was retrofitted with a Fast Ice system, the latest technology that allows the ice maintenance crew to cut the ice quickly in order to keep the ice smooth and fast.

This technology also helps with quicker conversion between basketball and hockey thanks to the most sophisticated retractable seating system ever designed for a sports and entertainment venue. It's a patented design that allows conversion from an ice rink to a basketball court or concert setting in less than three hours.

Fans with disabilities will find 524 accessible seats inside the venue and that all common areas, vendor spaces, retail stores and restaurants follow federal and state requirements for accessibility. Every luxury suite is accessible as are all 20 family restrooms.

American Airlines Center continues to be a leading facility nationally in the area of minority opportunities. After an agreement between team owners and the city to include at least 26 percent representation of minority contractors in building the facility, the project achieved what is believed to be a national-record of 34.5 percent Minority and Women Business Enterprise (M/WBE) participation– earning the operators the highest recognition from the U.S. Department of Commerce for excellence in their M/WBE programs. The Center continues its commitment to M/WBE firms by continuing to exceed the 26 percent goal for its day-to-day operational use.

American Airlines Center strives to be the best live entertainment and sporting venue in the south. For more information on the events or media information visit our website at www.americanairlinescenter.com or e-mail us at marketing@americanairlinescenter.com.

Dr Pepper StarCenters

Since moving to North Texas prior to the 1993-94 NHL season, the Dallas Stars have made it an organizational priority to expose the Dallas/Fort Worth Metroplex to hockey, and have done so by operating eight Dr Pepper StarCenters throughout the area.

In the summer of 2003, the Stars moved their corporate offices and team practice facility to the Frisco Dr Pepper StarCenter. In November 2004, the Stars opened the Dr Pepper StarCenter and Conference Center in Farmers Branch, bringing the total to eight facilities and 15 sheets of ice.

The flagship facility in Frisco not only serves as the training site for the Stars, but the facility is also the home to the Texas Tornado of the North American Hockey League. Like other Dr Pepper StarCenters, it is also utilized for youth, high school and adult hockey leagues, figure skating training and competitions and public skating.

The 211,000 square-foot facility includes more than 15,000 square feet for the team's locker room and workout & rehabilitation area and another 25,000 square feet of offices for the Dallas Stars. It also includes two NHL-size sheets of ice, eight team locker rooms, an arena with approximately 3,700 seats, and a 3,500 square-foot StarStuff store. The Tornado locker rooms and offices comprise an additional 6,000 square feet. Playing in the North American Hockey League, the Tornado have won three consecutive Robertson Cup championships and routinely place players on successful Division I collegiate hockey programs. In fact, former Tornado and Cornell University goaltender David McKee of Irving was a finalist for the prestigious Hobey Baker

Dr Pepper StarCenter Frisco

Dr Pepper StarCenters

Memorial Award in 2004, awarded the nation's top collegiate player, and recently signed an NHL contract with Anaheim.

"The first step toward having a championship team is making sure they have the best training facility available," said Stars owner Tom Hicks. "The Stars have achieved that goal in Frisco and we hope that the quality of the facility will help to lure potential players in the future."

The Dallas Stars are one of the few teams in the NHL to design and build their own practice facility and arena. The team also sets the pace in the NHL among clubs that form partnerships with communities to create public skating facilities, a trend which is picking up momentum around the league. The facility in Farmers Branch was built in partnership with that city, as were the facilities in Euless and Duncanville. The Stars also have facilities in Grapevine, Irving and two in Plano, one of which is a youth-only facility built in partnership with the non-profit Plano Sports Authority.

When the Stars moved to town more than 12 years ago, there were five total sheets of ice in the area (two of which were at shopping malls and didn't host any sort of hockey). There were no high school or traveling hockey teams and only 250 local children playing the sport. In addition, there were only 225 adults playing in recreational leagues.

Heading into the 2006-2007 season, there are now more than 7,500 North Texas kids playing hockey on 23 sheets of ice in the area. In addition, there are nearly 70 high school hockey teams in the Metroplex, and travel teams at every age and competition level of youth hockey. There are also more than 3,000 adults involved in recreational leagues in the area.

THOMAS O. HICKS

Chairman of the Board & Owner

Seven Division Championships, three Western Conference crowns, two Presidents' Trophies as the team with the best regular season record, two consecutive trips to the Stanley Cup Finals and the 1999 Stanley Cup Championship are the highlights of the Dallas Stars' rapid ascent in the 11 years since Thomas O. Hicks contracted to purchase the hockey club in December 1995. Mr. Hicks serves as the Stars' Chairman of the Board and the club's representative on the NHL Board of Governors, and also played an instrumental role in the development and planning of American Airlines Center.

Mr. Hicks has been instrumental in the pursuit and acquisition of a number of big-name players for the Stars since he took ownership of the club. His influence allowed the Stars to trade for Joe Nieuwendyk, who eventually won the Conn Smythe Trophy as Playoff MVP during Dallas' Stanley Cup title season of 1999. He played a significant role in bringing Ed Belfour and Brett Hull, both major contributors on the Stars' Cup-winning team, to Dallas as free agents. During the 2006 off-season, he invested in such marquee names as Eric Lindros, Darryl Sydor and Jeff Halpern, and has clearly been the driving force in the Stars' commitment to remaining among the NHL's elite.

Mr. Hicks, 60, is Chairman and Chief Executive Officer of Hicks Holdings LLC, a holding company for the Thomas and Cinda Hicks family's sports, real estate and other assets and investments, including Major League Baseball's Texas Rangers and the Dallas Stars. In May 2006, Hicks Holdings and Steiner + Associates announced the launch of Glorypark, a $600 million mixed-use development in Arlington, combining retail, entertainment, residential, office and hospitality uses and slated for initial ground-breaking in 2007.

Hicks Holdings is the controlling shareholder of Gammaloy, a leading oil and gas drilling tool rental and manufacturing company. Its other corporate holdings include DirecPath, a new company formed to provide bundled DIRECTV programming, broadband voice and data services, security and other locally based services to multiple dwelling units (MDU) across the United States, Ocular LCD, Inc., a leading designer, manufacturer and marketer of high-performance liquid crystal displays, modules and systems, Berkshire Resources, LLC, a gas and oil exploration company, and Grupo Pilar, a leading animal and pet food company in Argentina.

Previously, Mr. Hicks co-founded, and was Chairman from 1989 through 2004, of Hicks, Muse, Tate & Furst, a nationally prominent private equity firm that specialized in leveraged acquisitions. During Mr. Hicks' tenure as Chairman, Hicks Muse successfully raised over $12 billion of private equity funds, consummated over $50 billion of leveraged acquisitions, and was one of the most active private investment firms in the country.

It was June of 1998, when Mr. Hicks became the Chairman and Owner of the Texas Rangers Baseball Club of the Major League Baseball's American League. Under his ownership, the Rangers won the American League West Division crown in both 1998 and 1999. He also serves on the Board of Directors of MLB Advanced Media, the internet-based subsidiary of Major League Baseball.

Mr. Hicks serves on the boards of directors of the Cotton Bowl Athletic Association, Crow Family Holdings, as well as The Center for Strategic and International Studies Board of Trustees, St. Mark's School of Texas Board of Trustees, the University of Southern California Marshall School of Business Dean's Board of Advisors, the University of Texas Southwestern Medical Foundation Board of Trustees, and the University of Texas Chancellor's Council. A former member of the University of Texas System Board of Regents, Hicks has served as Chairman of the University of Texas Investment Management Company, (UTIMCO) which manages the $20 billion University of Texas Permanent University Fund and Long Term Funds.

Graduating with an MBA from the University of Southern California in 1970 and a BBA from the University of Texas in 1968, Mr. Hicks serves as a "Distinguished Guest Lecturer" at Stanford University's Graduate School of Business.

With strong ties to the community, he has provided continuing support to numerous local organizations, and has also held various charity board memberships. Mr. Hicks was the 1996 co-chair of the Dallas Jewish Coalition for the Homeless "Vogel Alcove" project, and was honored as the recipient of the 2000 Henry Cohn Humanitarian Award for the Anti-Defamation League. He has also been a past recipient of the Father of the Year Award.

The father of six children, Mr. Hicks and his wife Cinda reside in Dallas.

JAMES R. LITES

President

Jim Lites is set to enter the fifth year of his second stint as president of the Dallas Stars, having returned to the club on November 26, 2002. He was originally named president and alternate governor of the Stars on June 9, 1993, and served in that role with the team for nine seasons before joining the Phoenix Coyotes in March of 2002.

Having earned a reputation as one of the finest administrators in hockey, Lites, 53, oversees all aspects of the Dallas Stars organization, including finances, marketing, advertising, public relations, promotions, ticket sales, budget development and broadcasting agreements. An influential member of the NHL's Board of Governors, he has been on the league's board for 23 consecutive seasons. He is now one of the longest-tenured board members, having served at different times on the NHL's broadcast, expansion, marketing, game and executive committees. Lites is currently serving in an advisory capacity to the NHL's Marketing Committee. He also serves as Chair of the Dallas Stars Foundation.

Since he first joined the Stars, the team has won seven Division Championships, three Western Conference Championships, two Presidents' Trophies and the 1999 Stanley Cup. Under Lites' guidance, the club has built and expanded its successful Dr Pepper StarCenter chain to eight locations throughout the Dallas-Fort Worth Metroplex, and he played an active role in the original conception, design, sales and marketing efforts of American Airlines Center. He presently represents the Stars on the American Airlines Center's management board.

Lites was named president of the Texas Rangers of Major League Baseball on May 7, 1999, becoming one of four executives in professional sports to head the front office of more than one organization. He was on the board of Major League Baseball for three years, and had the same responsibilities with the Rangers that he had with the Stars before leaving for Phoenix.

During his eight months spent in Phoenix, Lites was president and chief operating officer of the Coyotes, Arena Management Group, LLC, and Coyotes Charities. In these capacities, he oversaw all business operations of the Phoenix organization. He was also instrumental in the design and groundbreaking of Glendale Arena, and in the increase of sponsorship and season ticket sales for the team.

Prior to joining the Stars in 1993, Lites served 11 years as executive vice president of the Detroit Red Wings, who during his stint won three Norris Division Championships and two Norris Division Playoff Championships, after having missed the playoffs in 10 of the 11 seasons before his hiring. During his tenure, the Red Wings were named by Financial World magazine as the most valuable franchise in the NHL in 1990, 1991, 1992 and 1993. Lites was also instrumental in the defection of former Soviet stars Sergei Fedorov, Vyacheslav Kozlov and Vladimir Konstantinov, each of whom played important parts of the Red Wings' record-setting and Stanley Cup Champion hockey clubs.

While with Detroit, Lites also served as Chief Operating Officer of Olympia Arenas, Inc., one of the Midwest's largest facility management companies. He was also responsible for the redevelopment of Detroit's historic Fox Theatre, now the most successful entertainment venue of its type in the United States and the cornerstone of Detroit's growing northside sports, entertainment and gaming complexes.

Born and raised in Pentwater, Michigan, Lites received a bachelor of arts degree with highest honors from the University of Michigan in 1975 and graduated cum laude from Wayne State (MI) University Law School in 1978. He specialized in litigation and labor contract negotiations.

Lites and his wife Kim reside in Frisco and have four children - son Chase, 23, a senior at Texas A&M, daughter Brooke, 22, a senior at the University of Michigan, son Sam, 17, a senior at Detroit County Day High School and son Chandler, 15, a sophomore at Frisco High School.

DOUG ARMSTRONG

General Manager

Hired: January 25, 2002 **Birthdate: September 24, 1964**

Doug Armstrong begins his fifth full season as general manager for the Dallas Stars and is entering his 16th year with the organization.

Over his tenure as general manager since being appointed to the position on January 25, 2002, Dallas has earned the third-most regular season points in the National Hockey League (320), the third-most wins (140) and the second-most home wins (82). Only Detroit and Ottawa have more points and wins over that time span and only the Red Wings have more home wins. Additionally, the Stars have won two Pacific Division championships over his three seasons with those coming in 2002-03 and in 2005-06.

Armstrong has been a member of the Stars organization in each of the club's 13 years in Dallas and has helped lead the franchise to two President's Trophies, two Western Conference titles and the 1999 Stanley Cup championship.

Through his first 278 games as general manager, Armstrong has helped the Stars post a 153-84-41 record for a .624 points percentage. Of the other six general managers in team history, nobody comes close to his record through their first 278 games.

As a result of his shrewd and creative management of the club's roster and the salary cap that the league instituted prior to the 2005-06 season, Armstrong earned a three-year contract extension from Stars owner Thomas O. Hicks on July 25, 2006. Armstrong's previous contract was set to expire at the conclusion of the 2007-2008 season, but his three-year extension secures his place as the club's general manager through the 2010-2011 NHL season.

Armstrong was a major player in the 2006 summer free agent market, signing free agent centers Eric Lindros and Jeff Halpern, as well as winger Matthew Barnaby. He also helped acquire defenseman Darryl Sydor via trade from Tampa Bay, and in a draft-day deal, brought defenseman Jaroslav Modry and former No. 1 overall pick Patrick Stefan to the Stars from the Atlanta Thrashers. In keeping an eye on the club's future as well as the present, Armstrong was instrumental in the signing of free agent center Marty Sertich, the 2005 Hobey Baker Award winner from Colorado College.

Prior to being named the team's seventh general manager, Armstrong served nine years as the assistant general manager under Bob Gainey. As Gainey's assistant, Armstrong worked on contract negotiations and season scheduling, and handled the day-to-day operations of the hockey department.

A native of Sarnia, Ontario, Armstrong is the son of NHL Hall of Fame linesman Neil Armstrong who was inducted into the Hall of Fame in 1991. Armstrong and his wife Kelly, son Blake, and daughter Kayla, live in Coppell.

Hockey Operations Staff

LES JACKSON
Assistant General Manager

Les Jackson enters the sixth season of his second stint with the Stars after spending the previous two years as the assistant general manager of the Atlanta Thrashers. Jackson manages and oversees the Stars' amateur and professional scouting program, and assists in the evaluation of players as it relates to movement within the organization including the entry draft, trades and free agent signings.

Prior to joining the Thrashers in September of 1998, Jackson, 53, spent 13 years with the Stars' organization, serving in a variety of roles, including assistant general manager from 1993-98. Jackson was drafted by the Boston Bruins in 1972 and played two seasons in the minors, then began his career as a hockey executive. His minor pro coaching career included stints in Billings, Mont.; Tucson, Ariz.; New Westminster, B.C.; Revelstoke, B.C.; and Great Falls, Mont. He also spent five seasons as assistant coach and general manager of the Western Hockey League's Brandon Wheat Kings.

A native of Manning, Alberta, Jackson resides in Coppell and has three sons, Brock, Drake and Reid.

FRANK PROVENZANO
Assistant General Manager

Frank Provenzano begins his first season with the Stars and his main responsibilities will include contract negotiations, salary cap management, schedule making and the administration of the NHL's Collective Bargaining Agreement. The native of Sault Ste. Marie, Ont., worked as a commentator specializing in salary cap analysis for TSN, a sports network in Canada, during the 2005-06 season.

Previously, Provenzano served as Assistant General Manager for the Washington Capitals from 1997 to 2004, and was an assistant in the Vancouver Canucks' hockey operations department from 1994 through 1997. Provenzano, 37, played hockey at Queens University in Kingston, Ontario, and graduated in 1991 with dual bachelor's degrees in physical and health education and physiology/anatomy. He then obtained his masters degree in business administration from Simon Fraser University, in Burnaby, British Columbia. He and his wife, Julie, reside in Dallas.

DAVE ALLISON *Head Coach*

Dave Allison was hired as the first head coach in Iowa Stars history on May 26, 2005, and led the club to a 41-31-1-7 record and a berth the Calder Cup Playoffs in its inaugural season.

He joined the Stars from the Borderland Thunder of the Superior International Junior Hockey League (SIJHL), where he was head coach for the past three seasons, cumulating an 87-44-11-6 record (.645) in his hometown of Fort Frances, Ontario.

Allison has been a part of four expansion franchises in his career: Albany in the IHL, 1990; Grand Rapids in the IHL, 1996; Fort Wayne in the UHL, 1999, and was named Coach of the Year in the ECHL in 1989-90 with Virginia, earning a record of 36-19-6. Players of note that he has developed and coached include Pavol Demitra, Chris Gratton, Brett Lindros, Chad Kilger and Ville Peltonen, among others.

A veteran of 10 seasons as a defenseman in the pros, spent mostly with the development affiliates of three of the most successful organizations in hockey -- the Montreal Canadiens, the Edmonton Oilers and the Toronto Maple Leafs. He won the Turner Cup in 1987 with Muskegon as a player assistant and served as captain for Halifax in 1988-89. Allison served as interim head coach for the NHL's Ottawa Senators for 25 games in 1995-96.

PAUL JERRARD *Assistant Coach*

Paul Jerrard was hired as assistant coach on June 14, 2005 and helped guide the Stars to the Calder Cup Playoffs in its inaugural season. Jerrard boasts nearly a decade of coaching experience, including two years as an assistant with the Hershey Bears prior to coming to Iowa.

He served as the Colorado Avalanche's assistant coach responsible for video during the 2002-03 NHL season, and coached for four years at his alma mater, Lake Superior State University, and one season as assistant coach with the Lowell Lock Monsters (AHL).

Jerrard spent 10 years as a defenseman in professional hockey, having been drafted by the New York Rangers in the ninth round (173rd overall) of the 1983 Entry Draft. He was traded to the Minnesota North Stars in October, 1988, and skated in five games for Minnesota during the 1988-89 NHL season. He played parts of six seasons with the Stars' then-primary affiliate in Kalamazoo (IHL) and was a member of the 1997 Calder Cup-winning Hershey Bears.

A native of Winnipeg, Manitoba, Jerrard graduated from Lake Superior State in 1987 with a degree in recreational management, with a minor in business administration. Jerrard has earned his strength and conditioning certification and is a member of the National Strength Coaches Association (NSCA).

SCOTT WHITE *Director of Hockey Operations*

Scott White was hired as Iowa's director of hockey operations on May 26, 2005, joining the Stars organization after four seasons as head coach of the Columbia Inferno of the ECHL. In Columbia, White was responsible for all of the club's hockey operation activities, including recruiting, scouting, trades and roster moves. White served as an assistant coach with the Greensboro Monarchs (ECHL) for a season and a half, and was an assistant coach at his alma mater, Michigan Tech University, from 1994-1999.

White played five years of professional hockey from 1989-1994, including three seasons with Greensboro, where he won the 1990 ECHL Championship and earned ECHL Defenseman of the Year and First-Team All-ECHL honors for the 1991-92 season. He signed with the NHL expansion Ottawa Senators in 1992 and played the entire season with the club's developmental affiliate in New Haven, capturing team MVP honors after scoring 54 points (10 goals, 44 assists) in 80 games. The Quebec native finished his professional career with 235 points (55 goals, 180 assists) in 190 regular season games and 40 points (8 goals, 32 assists) in 41 playoff games.

On October 14, 1995, the Stars set a franchise record for the fastest three goals in a game, scoring three times in 44 seconds of the final minute of the third period to cap an exciting 6-5 comeback victory over Boston at Reunion Arena. Trailing 5-3, Kevin Hatcher banged home a rebound at 19:11 of the third period to pull the Stars within one goal. At the 19:44 mark, Mike Modano fired a wrist shot past Bruins' goalie Craig Billington to even the score at 5-5. On the ensuing face-off, Mike Kennedy hustled to the corner to Billington's left, dug the puck loose and sent a centering pass to Guy Carbonneau, who fired the puck past Billington at 19:55 for the win. According to the Elias Sports Bureau, it is the only game in NHL history that a team trailed by two goals in the final minute of the game and came back to score three goals and win the game in regulation.

Retired Numbers

#7 NEAL BROTEN 1981-97

Neal Broten finished his NHL career as the most decorated player ever born in the United States. As early as high school he was a champion, taking Roseau High School to three Minnesota State High School Hockey Tournaments. He would go on to lead the University of Minnesota to the 1979 NCAA Championship and was awarded the first-ever Hobey Baker Award as the nation's top collegiate hockey player in 1981. Broten entered history in 1980 as he helped the "Miracle on Ice" U.S. Olympic team win the gold-medal. He was the last member of that squad to play in the NHL.

Broten, fittingly, scored his first career NHL goal in his first career NHL game with the Minnesota North Stars on March 31, 1981 vs. St. Louis. In his first full season, 1981-82, he was named the franchise's Rookie of the Year after setting team records that still stand for most goals, assists and points by a rookie (38-60-98). Sixteen seasons later, Broten retired as the club's all-time leader in games played (992), assists (593) and points (867) and is fourth in team annals in goals (274). The team's Most Valuable Player in 1984 and 1986, Broten participated in the NHL All-Star Game in 1983 and 1986. In that 1985-86 campaign, he became the first American-born player to record 100 points (105) and set the current club mark for assists in a season with 76.

Moving with the team to Texas in 1993, Broten scored the first-ever goal in Dallas Stars history on October 5, 1993 against Detroit. He was dealt by the Stars to New Jersey in February of 1995, where he achieved his remaining goal. Having been to the Stanley Cup Finals twice before with the Stars (1981,1991), he played an instrumental role in the Devils' Stanley Cup victory in 1995, finishing second on that championship club with 19 points (7-12-19) in 20 playoff contests. Broten began the 1996-97 season with New Jersey, and had a brief stint with Los Angeles before the Stars reacquired him off waivers on January 28, 1997. Finishing the season with Dallas, Broten totaled 923 points for his career, the second-highest point total ever for an American-born player behind only Joe Mullen (1,063).

In June of 1996, Broten was honored with USA Hockey's Distinguished Achievement Award and in April of 1997 he was named to the All-Time USA Hockey First Team. In addition, he was selected as USA Hockey's Player of the Decade for 1976-77 to 1985-86 and in the Summer of 1997 was named a recipient of the Lester Patrick Award for outstanding service to hockey in the United States, one of only two players (Ken Morrow) to win the Award twice, having won it the first time as a member of the 1980 gold medal USA team. Broten's number seven was retired by the Stars on February 7, 1998 and he was inducted into the U.S. Hockey Hall of Fame in 2000.

#19 BILL MASTERTON 1967-68

Bill Masterton was a member of the Minnesota North Stars inaugural NHL team in 1967-68. He played two seasons of professional hockey for Hull-Ottawa of the EPHL in 1961-62 and Cleveland of the American Hockey League in 1962-63. The North Stars retired Masterton's jersey number in memory of the only professional hockey player to lose his life because of an injury suffered during an NHL game. Masterton hit the back of his head on the ice on January 13, 1968 against Oakland, and passed away two days later. The North Stars named the Bill Masterton Memorial Cup Award in his memory, presenting it to the North Stars player voted most valuable by his teammates during the season. Masterton's number 19 has never been worn by another North Star and was retired on January 17, 1987.

#8 BILL GOLDSWORTHY 1967-77

Bill Goldsworthy started his career as a North Star in 1967 when Minnesota selected him from Boston in the 1967 expansion draft. He made his name with the North Stars through goal-scoring and the invention of the Goldy Shuffle. Goldsworthy set marks throughout his career, becoming the first player from a post-1967 team to score 200 goals and the first to score 250. In 1971, Goldsworthy became the team's leading scorer and goal scorer, a mark he held for over a decade. His 48-goal season in 1973-74 was the best ever by a North Star until 1981-82 and he averaged over 30 goals a year during his Stars career. In 1976, Goldsworthy became the first North Star ever to reach the 500-point plateau. In 670 games with Minnesota, he totalled 267 goals, 239 assists for 506 points. Goldsworthy's number eight was retired on February 15, 1992.

Media Information

DIRECTIONS TO FRISCO DR PEPPER STARCENTER: From downtown, take the Tollway North until it ends. It will turn into Dallas Parkway and you will see the IKEA and the Frisco RoughRiders baseball stadium on the right. Turn right on Gaylord and the Frisco Dr Pepper StarCenter will be on your right-hand side.

PRESS CREDENTIALS: Press Box seating is assigned for each game. Requests for Daily Passes will be issued on a priority basis to media on specific assignments only, and **requests must be submitted in writing (e-mail or fax) on company letterhead no later than 5 p.m. the day before a home game.** The fax number for the media relations department is 214-387-5564. The press entrance is located on the west side of American Airlines Center, and you must show identification when you pick up your passes. **All media must visibly wear their credentials for all Stars' home games.**

PARKING: Media parking is available in Lot E on the west side of American Airlines Center. If you have a media parking pass, that pass will be your entrance to Lot E. If using a single-game credential, your name will be left on a list with the lot attendant.

INTERVIEWS: The best time to conduct interviews on gamedays is after the morning skate. All NHL locker rooms are closed for approximately 5 minutes after the game. The training room at the Dr Pepper StarCenter and American Airlines Center is closed to the media at all times. Any player (with the exception of goaltenders) may be pre-taped before a game as long as the interview is completed 95 minutes before game time.

Practices: The recommended time for media to interview Stars players is after practice. Unless a team meeting is called, the team locker room will be open no later than 5 minutes after the first player leaves the ice, or earlier if deemed by the Stars media relations department. Requests for interviews to be conducted at a location other than StarCenter must be cleared through the Stars media relations department.

Broadcast and live shots: All player requests for that night's broadcast or live shots must be arranged prior to the end of the Stars' morning skate on the day of a game (11 a.m.). Players will not be available for broadcast or live shots after 6:00 p.m. for a 7:30 p.m. game or after 5:30 p.m. for a 7:00 p.m. game.

Head coach interviews: Stars head coach Dave Tippett will meet with the media after each game in the interview room across from the Stars' locker room.

DINING FACILITIES: The Media Dining Room is located on the west side of the event level of American Airlines Center. Dining area admittance will be restricted to Stars game-night employees, working press and visiting officials. Kindly show your credentials to the attendant and sign in at the entrance. SPOUSES AND CHILDREN WILL NOT BE ADMITTED.

New NHL Rules

DIMENSIONS OF THE RINK: The neutral-zone edges of the blue lines will be positioned 64 feet from the attacking goal line and 75 feet from the end boards in the attacking zone. There will be an additional four feet in each of the offensive zones between the goal line and blue lines. The goal lines will be positioned 11 feet from the end boards, two feet closer to the end boards than previously. The goal line had been at 13 feet since 1998-99. The size of the neutral zone will be reduced to 50' from 54'.

CENTER RED LINE ELIMINATED FOR TWO-LINE PASSES: Passes from behind the defensive blue line to the attacking blue line will be considered legal. The center red line will be ignored for purposes of the "two-line pass."

OFFSIDE: If while an offside is delayed, the linesman shall nullify the offside if all players of the offending team clear the zone by making skate contact with the blue line, permitting the attacking players to re-enter the zone or if the defending team passes or carries the puck into the neutral zone. The "tag-up" rule was previously used from 1986-87 through 1995-96.

RESTRICTIONS ON GOALIE HANDLING THE PUCK: A goaltender may not play the puck outside a designated area behind the net. This area is defined by lines that begin on the goal line, six feet from each goal post, and extend diagonally to points 28 feet apart at the end boards. Should a goalie play the puck outside this area behind the goal line, a minor penalty for delay of game will be imposed. The determining factor will be the position of the puck.

ICING THE PUCK: A team that ices the puck will not be permitted to make any player substitutions prior to the ensuing face-off. The determination of players on-ice will be made when the puck leaves the offending player's stick. "Touch" icing will remain the practice, although the Linesman will have discretion to wave off apparent icing infractions if they are deemed receivable.

INSTIGATOR RULE: A player who instigates a fight in the final five minutes of regulation time or at any time of overtime, will receive a minor, a major, a misconduct and an automatic one-game suspension. The length of suspension would double for each additional incident. As well, the player's Coach will be fined $10,000 – a fine that would double for each such incident.

GOALTENDER EQUIPMENT: The dimensions of goaltender equipment will be reduced by approximately 11 percent. In addition to a one-inch reduction (to 11") in the width of legpads, the blocking glove, upper-body protector and pants also will be reduced in size.

SHOOTOUT: Following a scoreless five-minute overtime, three players from each team participate in the order the coach selects. The teams alternate shots. The team with the most goals after each team has taken three shots is declared the winner, unless the outcome is determined earlier in the shootout (example: if Team A is ahead 2-0 after each team has taken two shots). If the score remains tied, the shootout will proceed to a "sudden-death" format. No player may shoot twice until everyone who is eligible has shot. Regardless the number of goals scored during the shootout portion of overtime, the final score recorded for the game will give the winning team one more goal than its opponent, based on the score at the end of overtime. No individual statistics will be awarded from performance in a shootout (e.g. no goals - or game-winning goals - credited to scorer; no saves or goals against charged to a goaltender). Also, a goalie will not be charged with a loss to his record should he lose in overtime (this is a change from 2003-04 season) or in a shootout. Instead, such a decision would be added to the goalie's OT column (e.g. same as team standings - GP W L OT).

DELAY OF GAME: When any player, while in his defending zone, shoots the puck directly (non-deflected) out of the playing surface, except where there is no glass, a penalty will be assessed for delaying the game. When the puck is shot into the players' bench, the penalty will not apply. When the puck is shot over the glass behind the players' bench, the penalty will be assessed.

DIVING: In addition to the minor penalty for diving that may be assessed by the Referee during a game, Hockey Operations will review game videos and assess fines to players who dive or embellish a fall or a reaction, or who feign injury in an attempt to draw penalties. The first such incident will result in a warning letter being sent to the player. The second such incident will result in a $1,000 fine. The third such incident will result in a $2,000 fine. The fourth such incident will result in a one-game suspension.

Frequently Asked Questions

DETERMINING A GOALIE'S OR TEAM'S GOALS-AGAINST-AVERAGE: Multiply total number of goals allowed by 60, and divide that figure by minutes played.

DETERMINING A GOALIE'S OR TEAM'S SAVE PERCENTAGE: Subtract total goals against from total shots against to get total number of saves made. Divide total number of saves made by total number of shots against.

DETERMINING POWER PLAY PERCENTAGE: Total number of power play goals divided by total number of power play opportunities.

DETERMINING PENALTY KILLING PERCENTAGE: Subtract total number of power play goals allowed from total number of shorthanded situations to get total number of power plays killed. Divide total number of power plays killed by total number of shorthanded situations.

DETERMINING A PLAYER'S OR TEAM'S SHOOTING PERCENTAGE: Divide total goals scored by total number shots taken.

SHORTHAND GOAL: A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.

ASSIST: An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

GAME PLAYED: A player receives credit for playing in a game if he either steps on the ice during time played or serves any penalty.

SHUTOUT: If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.

PLUS-MINUS: A player receives a "plus" if he is on the ice when his team scores an even-strength or shorthanded goal. He receives a "minus" if he is on the ice for an even-strength or shorthanded goal scored by the opposing team. The difference in these numbers is considered the player's plus-minus statistic.

SHOT ON GOAL: If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

GAME-WINNING GOAL: The goal that gives the winning team one more goal than the losing team.

CONSECUTIVE GAME, GOAL, ASSIST, POINT-SCORING STREAK: In addition to being discounted whenever a player fails to record the goal or assist needed to extend a streak in a given game, the streak shall be terminated whenever the player fails to appear in a game.

TENTHS OF A SECOND: If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a goal is scored with 12.4 seconds left in a period, the time is indicated as 19:47).

ROOKIE STATUS: A player shall be considered a rookie if he has not played in 25 or more games during any single preceding season, or not in six or more games during any two preceding seasons.

ROSTER LIMITS: Each team dresses 18 skaters (generally 12 forwards and six defensemen) and two goaltenders per game. A team may carry up to 23 players at a time.

TRADING DEADLINE: 2:00 CST of the 40th day before the final day of the NHL regular season marks the deadline for trades between NHL teams. This date also marks the deadline for loans and recalls from minor league teams. This season's deadline falls on February 27.

TIE BREAKING PROCEDURES: In the event of a tie in standing points, these steps determine which team shall finish in the higher position: 1) Most wins, 2) Most points earned in season series between the two tied teams (points earned in the first game played in the city that has the extra game shall not be included), 3) Differential in total goals scored and total goals allowed over full 82-game schedule.

COACHES RECORD: A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

GOALTENDER RECORD: A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

Dallas Stars Foundation

The Dallas Stars Foundation was established to serve as a positive force throughout the Dallas/Fort Worth Metroplex. The Foundation focuses its efforts on providing support to the children of the community so they may lead quality lives and develop into contributing members of society. Through teamwork, interaction, and education, the Dallas Stars Foundation works to bring together all members of the Metroplex and build a bright future for today's youth.

GRANTS AND SCHOLARSHIPS

Twice a year, one in the fall and once in the spring, the Dallas Stars Foundation awards grants to local children's charities in support of a variety of needs. The grants focus on a myriad of worthy causes such as medical and other basic needs for disadvantaged youth, educational and social issues, family suppers, and crisis intervention.

The Dallas Stars created the Junior Stars in 1997 to promote sportsmanship and academics as part of the hockey experience. Scholarships are awarded in the amount of $500. When selecting scholarship recipients, the Stars look for individuals who exhibit strong academic performance in school, involvement in extracurricular and/or community activities, financial need and exemplary conduct during practices, games and competitions. Additionally, each spring, the Bob Gainey Honorary Scholarship is awarded to a deserving Metroplex high school senior who has excelled in many areas, both academic and athletic. Scholarship is in the amount of $1250 per year for up to four years.

Fundraising

VERIZON YELLOW PAGES FACE OFF LUNCHEON

At the beginning of each season, the players, coaches, front office and Stars' broadcast team are on hand to kick off the upcoming season in style with the fans at the Face Off Luncheon. This year's luncheon will be held at the Hilton Anatole on October 2, 2006.

CALENDAR

This past year, the Dallas Stars partnered with the Fort Worth Zoo to collaborate on the Stars Gone Wild calendar. With the help of Dallas Stars players including Mike Modano, Marty Turco, Jason Arnott and Philippe Boucher, the foundation was able to turn out one of the most exciting calendars to date. Proceeds from sales of the calendar were split evenly between the Dallas Stars Foundation and the Fort Worth Zoo, benefiting the Zoo's conservation program. For more information on this year's calendar, please visit the community section of www.dallasstars.com.

DR PEPPER LUNCHEON SERIES

Each year Stars fans have the opportunity to see their favorite players and coaches "up close and personal" at the Dallas Stars Dr Pepper Luncheon Series. The series consists of three luncheons with all proceeds benefiting the Dallas Stars Foundation. This year's luncheons will be held on January 8, February 12, and March 6, 2007.

CASINO NIGHT

Our biggest fundraiser of the year. This annual black tie event was held at Park Place Motorcars Dallas. The entire team and organization attend and participate in gaming, live and silent auctions. Last year's event raised over $125,000, with all proceeds benefiting the Dallas Stars Foundation. This year's event will take place on March 5, 2007.

GOLF TOURNAMENT

This past August, the Dallas Stars Foundation teamed up with Big Brothers Big Sisters of North Texas to host the 37th annual Park Place Celebrity Golf Classic. Dallas Stars forward Brenden Morrow served as celebrity host of the event, marking his second year in this position with the annual fundraiser. The event was held over two days at four different Metroplex golf courses. The event was kicked off with the Cantina Laredo Party Under the Stars at Lone Star Park in Grand Prairie. This event and the Cantina Laredo Party Under the Stars together raised over $500,000 for Big Brothers Big Sisters and the Dallas Stars Foundation.

GAME DAY AUCTIONS

Frequently at Dallas Stars home games, the foundation will host a silent auction. Various items include Dallas Stars autographed jerseys, sticks and pucks, and also autographed items from the night's opposing team. Items sold include exclusive autographed merchandise such as game worn jerseys and game used equipment.

Community Involvement

COMMUNITY PARTNERSHIPS

The Dallas Stars Foundation is committed to aiding local charities and organizations to further their causes and missions. The foundation takes an active role in helping others achieve their goals in addition to our own. One such partnership includes St. Jude's Hospital, in which the Dallas Stars Foundation collaborated with St. Jude's to promote St. Jude's Dream Home project. Through donations and direct involvement, the foundation will continue develop lasting, and mutually beneficial relationships with area organizations in an effort to enrich the lives of all those in need.

COMMUNITY TICKETS

The program allows the Dallas Stars Organization to serve the community by donating tickets to various charities and civic programs throughout the area, and also allow each respective organization the opportunity to experience the magic of Dallas Stars hockey first hand. The tickets can be used by the organization's employees, volunteers and designated beneficiaries only. Organizations can apply to become part of the community tickets program through the Dallas Stars website, and there is no application deadline, it's a rolling enrollment. The M Club is an extension of the community tickets program in which Marty Turco has generously donated 35 season tickets to the Dallas Stars Foundation to distribute to local children's groups so they are able to experience a Dallas Stars hockey game at the American Airlines Center. Hundreds of children have been able to enjoy Dallas Stars games through Dallas Stars players' generosity over the last several seasons.

Holiday Programs

LIFT UP AMERICA

The Dallas Stars Hockey Club participated in the Lift up America Initiative in an effort to directly impact local charities and organizations in the Dallas/Fort Worth Metroplex. The Dallas Stars and FC Dallas joined together with Tyson Foods, Ty, Inc., and Minyard Food Stores to help our neighbors who are less fortunate by distributing 32,000 pound of chicken to area agencies including the North Texas Food Bank and the Tarrant Area Food Bank. Ty teddy bears were also distributed to children at the event, and to various other agencies in the Dallas/Ft. Worth Metroplex, which provide aid and comfort to families in need. In conjunction with Lift up America is the Gift of Sight program, where the Foundation, along with Luxottica Retail, conducted a glasses drive at a Dallas Stars home game in December. Glasses collected were sent to third world countries for those who desperately need proper eyewear.

Brenden Morrow and Trevor Daley participate in the Lift Up America initiative to feed needy families around the holidays.

GIFTS FOR SOLDIERS

The Dallas Stars, the Dallas Mavericks, and the Miami Heat joined forces with American Airlines to collect "Gifts for Soldiers" this holiday season. Fans attending the Mavs' game vs. the San Antonio Spurs on Dec. 1 or the Stars' game vs. the Carolina Hurricanes on Dec. 2 brought items to donate that were delivered to wounded soldiers and military personnel at Landstuhl Regional Medical Center in Germany, the largest American hospital outside the United States. American Airlines and the USO made special arrangements to deliver the gifts, which were shipped to Germany and members of the Dallas Stars Ice Girls, Dallas Mavericks and Miami Heat Dancers, along with members of the front office staff of the three teams, traveled to Germany to deliver these gifts in mid-December. This humanitarian effort served as an excellent way to thank and bring holiday cheer to our soldiers who could not be with family and friends to celebrate the season.

HOSPITAL VISITS

This year, the team participated in their annual hospital visits. The players broke up into two groups, one group headed to Cooks Children's Medical Center of Fort Worth, and the other went to Children's Medical City of Dallas. The team visited with children, signed autographs, handed out Ty teddy bears and helped raise spirits. The players brightened the day of many kids by playing pool and computer games, building train stations and coloring together. Patients were eager to talk sports and thanks to the Dallas Stars, they were able to forget their troubles for a short while. The players' wives spread a little holiday cheer to some very deserving children this past holiday season as well. They visited Jonathan's Place where they decorated cookies, as well as read stories and played games with the children. Jonathan's Place serves as a safe haven for children afflicted by some form of abuse, neglect or abandonment by a parent or guardian.

Educational and Grassroots Hockey Programs

SUPERCUTS STICK WITH READING

The Dallas Stars Foundation established this literacy program in 1998 to encourage kids to develop the habit of reading in their leisure time. Students record their extracurricular reading over an eight-week period for the chance to win great Stars incentives. Almost 200,000 kids have participated in this program since its inception. Stars goaltender Marty Turco serves as the program spokesman. This year's Supercuts Stick with Reading program has a unique feature with the impending NHL All-Star game coming to Dallas in January 2007. The school with the highest total reading minutes will receive a special visit from members of the 2007 NHL All-Star team.

Marty Turco reads to local children at a recent Stick With Reading classroom visit.

NHL STREET STARS

The NHL has organized a league-wide street hockey program, NHL STREET, which provides schools and local community centers with an athletic and educational program free of charge. NHL StreetStars is a grassroots youth hockey program through which street hockey equipment and instruction are provided to local community centers. The NHL and the Dallas Stars provide sticks, rubber pucks, no-bounce balls, nets and protective goalie gear to each school/community center, as well as start-up street hockey instruction for coaching staff and administration. Through this program, the Dallas Stars and the NHL aim to not only make hockey more accessible to kids, but to also expand and diversify the NHL fan base. Through NHL Street, the NHL and the Dallas Stars hope to provide NHL team communities with a sports program that promotes education, sportsmanship and fitness through participation in hockey, while at the same time creating a lasting connection between NHL teams and their local communities.

HIGH SCHOOL MEDIA DAY

This annual event allows high school journalism students the opportunity to learn the ins and outs of the professional sports media industry. Participating students watch a Dallas Stars practice session and then attend a question and answer session featuring Dallas Stars players, professional broadcasters, and local media personalities. Each student is encouraged to write an article on the experience for his/her school newspaper and be eligible to sit in the AAC press box during a Dallas Stars home game. The winning writer will also have his or her article published on the Dallas Stars website.

Stephane Robidas and Philippe Boucher brighten the holiday spirits of an ill Metroplex youngster.
